# PHM Applications Deployment
Lukasz Maczewski     Michal Wlasenko     Tomasz Pancewicz
*„ … it doesn't matter how good any model is, if it isn't used by other people in your organization to improve the way they run your business"*

*Robin Way*

*Corios Redpaper „Operationalizing Analytics Assets"*

Business and Analytics

Data and Systems

Development and Operations

PHM development and deployment  -  are we working in silos?

Business and Analytics → Data and Systems → Development and Operations

System approach for PHM applications deployment
