## Nantes, France

Located on the Loire estuary close to the Atlantic, Nantes has fully embraced economic and cultural dynamism to become a desired destination.

Awarded European Green Capital 2013, Nantes, France's 6th largest city, strongly believes in sustainable and responsible development. The city successfully combines respect for environment and excellent quality of life, and is the ideal place to meet people, exchange and share ideas.

Nantes is only two hours from Paris by train, and has direct air connection to most major European and international cities. There is a shuttle every 30 minutes between the airport and the International Events Center, the conference venue.
